WORKMEN'S COMPENSATION

Workmen's Compensation is mandated by law and all employees are covered while performing their assigned duties.

Any employee injured while performing services as an employee of the Lampeter-Strasburg School District shall complete a Workmen's Compensation form within 24 hours after the accident and submit it to the Superintendent's office. If the employee is incapable of submitting the report, the appropriate supervisor may obtain necessary information for proper filing of report. This form may be obtained from the secretary to the Superintendent. The secretary to the Superintendent shall record the completed form and transmit it to the insurance carrier.
