Check-in will occur between 3:00 PM – 5:00 PM  
 The three night program includes 8 meals and a box lunch, lodging, research cruise, and your choice of 5 half-day field classes or labs.

**Thursday May 3:** We will depart L-S at 2pm. We will stop at Grotto Pizza on the way down, and will arrive at Wallops Island around 6:30pm to check in. Our Coastal Ecology/Boat Training Lab will be from 7pm to 9pm approx.

On the schedule where “class choice” is listed, we have a variety of options to pick. Once actual participants are determined, we will select classes based upon majority interest.

On Sunday, May 6, we will depart around noon and likely do a teacher-led activity near Assateague Island before returning to school around 7pm. We will make a fast food stop on the way home.
