

# DRIVE-THRU BONE MARROW REGISTRATION EVENT IN REMEMBRANCE OF RYAN SMITH

Ryan Smith, a 2018 graduate of Lampeter-Strasburg High School, was a stand-out basketball player. He continued his basketball career at East Stroudsburg University and was later diagnosed with Acute Myeloid Leukemia. Ryan sadly lost his fight at the age of 21. We are hosting a bone marrow registration event to add more people to the National Bone Marrow Registry in honor of Ryan.

\*YOU MUST BE 18-44 TO JOIN THE NATIONAL BONE MARROW REGISTRY\*
