

PIONEER MAT CLUB WRESTLING

Welcome to the 2020-2021 Pioneer Mat Club. We are tentatively planning on starting practice the week of November 16th. However, we have submitted our facilities request to the school district and are still waiting for approval. We have decided to open registration at this time so that we can get an understanding for the number of wrestlers we will have this season.

The PMC COVID plan is on our website and should answer most of your questions. As a result of COVID restrictions, we will have smaller practice groups this year compared to past years. Additionally, we will not know the precise times and days of the week each group will practice until we have a better idea of who is signed up. If your child plans on wrestling this year, we recommend signing up sooner rather than later because we may have to limit the number of registrations (though we hope this is not the case).

Learn more and register at: pioneermatclub.org

**Register Now at :
pioneermatclub.org**

**Open to grades 2-6 that
live in LS. (if you have a
kindergartener or first
grader interested in
wrestling, please contact
