GUIDING PRINCIPLES

All options will be evaluated with Building Goals as outlined in the District's Comprehensive Plan, Mission Statement, Vision Statement and Shared Values

- Safety and security of all students, staff and community
- Fiscally responsible to our Students, Community and Key Stakeholders
- **❖** Support 21st Century Learners with appropriate tools, resources and learning environments
- Code compliance (i.e. ADA, Building Codes
- Equity across all buildings and students
 today, tomorrow and into the future
 given growth projections

ENROLLMENT PROJECTIONS

ENROLLMENT AND CAPACITY

How many students can each building accommodate?

Are there adequate spaces to support your programs & students?

Are you considering collaborative learning environments?

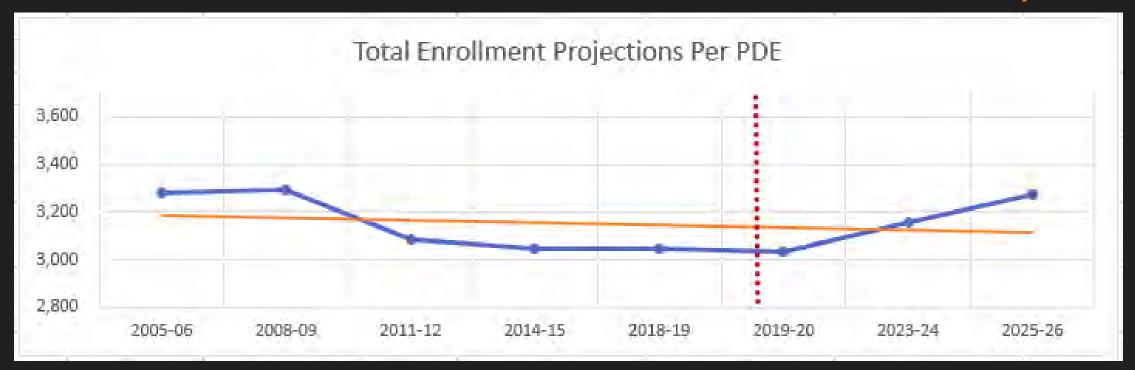

Do you have space to grow and offer new programs?

- Stadium Field House is deficient on program space and needs system upgrades.
- New Field House would need significant upgrades to meet code capacity of the adjacent Turf Fields/stadium as well as program/storage needs.
- Walnut Run will need ongoing maintenance and significant cost in the next 2-4 years to prevent continued moisture penetration, degradation of the structure.
- What is the long term use of the building?
