

**LAMPETER-STRASBURG SCHOOL DISTRICT**

1600 Book Road  
P. O. Box 428  
Lampeter, PA 17537

Dear Parent/Guardian:

The Pennsylvania School Health Law requires children attending school in the Commonwealth to receive a physical examination for all students in **kindergarten, grade 6, grade 11, or entrance into school at any grade if there is not a grade-appropriate physical examination on record**. These grades are selected because they represent critical periods of growth and development in a child's life.

We recommend that you make the necessary arrangements with your family physician to have this physical examination and have the results recorded on the attached physical form. If your child is scheduled for a sports physical or summer camp physical, please have this physical form completed at the same time.

**\*\*Below you will find a verification form to communicate to us that you have received notification of this state-mandated requirement. The bottom portion of this form is due immediately.\*\***

**Please return a completed physical form before the first day of school or indicate below when your child will receive this state mandated physical.**

Thank you in advance for helping us to carry out this phase of the school health program.

**RETURN LOWER PORTION IMMEDIATELY TO THE SCHOOL NURSE**

---

**PHYSICAL  
EXAMINATION NOTICE  
VERIFICATION**

Print Student Name: \_\_\_\_\_

Print Parent/Guardian Name: \_\_\_\_\_

Parent/Guardian Signature: \_\_\_\_\_ Date: \_\_\_\_\_

\_\_\_\_\_ I have read the above letter and will have my child examined by my family doctor prior to the beginning of school.

\_\_\_\_\_ My child has a physical Examination scheduled for \_\_\_\_\_.

\_\_\_\_\_ I am unable to have my child examined privately. I would like to have the physical examination performed by the school physician.

**RETURN THIS FORM TO THE SCHOOL NURSE**
