C. ASIAN CULTURE CLUB

The Asian Culture Club had its last meeting on Monday, May 21, 2018, to celebrate a great year with our strongest group thus far - 16 members strong!

We enjoyed Chinese food and recognized Arooba Raja for ALL of her amazing efforts since her freshmen year. She faithfully provided henna tattoos at many of our activities, and prior to her departure, she taught several girls in the club how to master the art. We are blessed because she has been so willing to share her culture with us!

We also looked ahead to the new school year. Our Fair Queen candidate is Lexy Campbell, and both Lexy and Ava Martin will represent the club at the Freshmen Orientation meeting in August. Our proposed trip is to visit the Asian Art Museum in Washington, D.C., on November 10, 2018, and to offer a fun variety of activities for students to enjoy throughout the course of the year, including more bug eating, a tea ceremony, acupuncture, and much more.

Thank you, dear members of the Board, for your encouragement and blessings to us as a club. We are thankful for your support!

D. FCS

Fellowship of Christian Students, in partnership with the senior class and the Lampeter-Strasburg Ministerium held Baccalaureate in the Performing Arts Center on Wednesday, May 30, 2018. Pastor David Alderson of Strasburg Wesley United Methodist Church was the keynote speaker. It was a wonderful time of worship, reflection, and celebration.

E. GRADUATION STATISTICS

Two hundred twenty-five students were graduated from Lampeter-Strasburg High School on June 1, 2018. The following statistics represent their intentions for the immediate future.

Pursuing Post-Secondary Education:	77.8%
United States Military	3.6%
Employment	12%

Number of service hours: 18,350

The total scholarship value received by our graduates was \$4,563,353.

F. QUIZ BOWL

Highlights of the L-S Quiz Bowl Team's year included making it to the third round of BrainBusters (which qualified us for the national tournament), finishing our league play at 11th place out of 24 teams, competing in a tournament at Manheim Township High School, and running a successful fundraising trip to New York City. Our graduating seniors are Mark Wittemann (captain), Nathan Brightup, Noah Pritchard, and Teddy Long. Returning, experienced players are Josh Ressler, Jarrett Emmerling, and Andrew Witteman. Newcomers this year include John Blochberger, Colin McDonald, Luke Roehrs, Josiah Inman, and Ben Beattie.

G. STEM CLUB

A new STEM Club in the high school was initiated and run by Nathan Brightup and advised by Mrs. Pamela Kochel. Students competed in the Governor's Regional STEM competition in February and earned a \$500 stipend for entering. The students who presented the project were Nathan Brightup, Mark Wittemann, Kaknika

Viset, and Kyle Velez. They received third place for the "Project in a Box" activity and gained valuable experience from the first competition.

H. VARSITY CLUB

Ryan's Race was held successfully on May 12, 2018. The 5K included over 60 runners, and the event raised \$2,500 for the Ryan "Whitey" Weitzel Scholarship Fund. This year's scholarship recipients were Josh Strauss and Rachel Marcroft.

Additionally, the Hall of Fame Committee will meet this month to choose the inductees for the 2018-2019 induction.

MARTIN MEYLIN MIDDLE SCHOOL – Mr. Jamie P. Raum, Principal

A. END-OF-YEAR ACTIVITIES – GRADES 6/7/8

Gettysburg Field Trip: On Friday, April 20, 2018, eighth grade students traveled to the Gettysburg Civil War Battlefields for the annual social studies field trip. Students received information and material related to the Gettysburg battle as part of the eighth grade curriculum. Guides from the state park were provided. They boarded our buses and became part of the tour. Students also were guided onto the battlefield for additional learning experiences.

Martin Meylin All-School Spring Fling: The event was held in the Martin Meylin Middle School cafeteria and gymnasium on Friday, April 27, 2018. The Martin Meylin PTO sponsored an evening activity for all Martin Meylin students. Activities included a DJ and music, inflatable activities, and carnival games. All expenses for the activity were paid through the PTO and our students body account (free for students). Parents, teachers, and administration chaperoned and led the activities. Over 300 students participated.

Sixth Grade Field Trips: On Wednesday, May 2, 2018, the 6Bear team traveled to Virginia to Steven Udvar-Hazy Museum, and on Thursday, May 10, 2018, the 6Falcon team visited the museum.

Seventh Grade Team Activity: On Thursday, May 31, 2018, all seventh grade students participated in a day-long team day and special activities.

Eighth Grade Social Activity: On Friday, May 18, 2018, the Martin Meylin Middle School Student Council and PTO organized an eighth grade social activity for parents, staff, and students. At 5:30 p.m., a buffet dinner was held for the guests. After dinner, students moved to the gymnasium for an end-of-the year dance.

Hershey Park Field Trip: Eighth grade students traveled to Hershey Park for the annual Hershey trip. On Thursday, May 31, 2018, KING, OWLS, and COBRA students enjoyed a trip to the park. Eighth grade teachers served as chaperones.

Eighth Grade Outsiders: On Tuesday, May 28, 2018, the eighth grade ELA teachers, Mrs. Jennifer Risser, Mrs. Karen Revelt, Mrs. Joanne Williard, and Mrs. Debra Savoca organized Outsiders Day for all eighth grade students to celebrate the 51 year old classic teen novel, *The Outsiders*. The activities included staff and students dressing up as Greasers or Socials, a first-of-its-kind showing of the 1983 movie to all students together at once in the Performing Arts Center, and a special "rumble" at the end of the day that included 60's music, a trivia contest about the novel, and best-dressed awards. The day was a huge success, and the ELA Department looks forward to a new tradition at Martin Meylin Middle School!

B. END-OF-YEAR AWARDS

On Monday, June 4, 2018, Martin Meylin Middle School students participated in the annual awards program. Students assembled in our gymnasium to receive recognition for accomplishments and participation in a variety of school-related activities.

LAMPETER-STRASBURG ELEMENTARY DIVISION –
Dr. William M. Bray and Dr. Jeffrey T. Smecker, Principals

A. PARENT TEACHER ORGANIZATION HOLDS FAMILY FUN FAIR

Members of the Parent Teacher Organization provided food, games, crafts, special programs, and many more activities at the annual Lampeter Elementary School Fun Fair held in June. The festivities were well attended and proved to be a wonderful time for students and their families.

B. STUDENTS SPEND A DAY AT THE PARK

All kindergarten, first, and second grade students spent a day studying the environment at the Lancaster County Park. Students learned about mammals, wildflowers, insects, trees, and plants through programs with the naturalists at the park. Other activities during the day varied by grade levels and included nature hikes, Garden of the Five Senses, nature bingo, book studies, physical fitness activities, and much more individualized by each classroom teacher. Students and staff members enjoyed a day at the park with all funding provided through the generosity of the Parent Teacher Organization at Lampeter Elementary School.

C. OPEN HOUSE HELD AT LAMPETER ELEMENTARY SCHOOL IN MAY

Lampeter Elementary School students treated their families and friends to a variety of student writing pieces and a compilation of projects completed during the school year. The second grade students completed animal research projects, which they had on student desks in each of the classrooms. Mrs. Jody Stauffer, primary art teacher, prepared a dazzling display of student artwork that was on display throughout the building.

D. LAMPETER ELEMENTARY SCHOOL HOLDS ANNUAL AWARDS ASSEMBLIES

The School Recognition Assembly was held at Lampeter Elementary School on the last day of school. Students were recognized for several accomplishments with awards given for the following: Physical Fitness, Attendance, Buck-A-Book, Patrol Pals, Service to the School or Community, and Student Ambassador/Respect Awards. The program ended with a PowerPoint presentation of the school year in pictures.

E. MUSICAL PROGRAM AT LAMPETER ELEMENTARY SCHOOL

Kindergarten, first and second grade students at Lampeter Elementary School presented concerts in June for parents, grandparents, and friends. Red, white, and blue-adorned students entertained their families with several patriotic songs and a flag-waving finale. Additionally, second grade students presented a vocal concert for their parents performing a variety of musical genres. Special thanks go to the Lampeter Elementary School classroom teachers and Mrs. Patricia Creighton, Lampeter music teacher.

F. LAMPETER ELEMENTARY SCHOOL HOLDS A GAME DAY

All kindergarten, first, and second grade students at Lampeter Elementary School participated in a set of four non-competitive games as part of their Games Day. The students rotated through two games in the morning and two games in the afternoon. Mrs. Melissa Weaver and Mrs. Suzanne Mannix organized the event and assigned teachers to direct each of the games. Both students and teachers enjoyed the activities, which culminated with an ice cream treat provided by the PTO.

G. THIRD GRADE VISITS ROCKFORD AND SHUTS ENVIRONMENTAL CENTER

During May, third grade classrooms traveled to Rock Ford Plantation and the Shuts Environmental Center. The students learned about Pennsylvania and local history during these trips.

H. FOURTH GRADE COUNTY PARK DAYS

During April and May, fourth grade students enjoyed a day of outdoor school at our nearby Lancaster County Central Park. All instruction is aligned with current fourth grade curriculum. During their visit, students had the opportunity to learn about the various types of plants and animals that make up the beauty of our local environment. Students also had the opportunity to experience nature walks.

I. FIFTH GRADE PIONEER DAY OCCURS

On May 25, 2018, fifth grade students had the opportunity to participate in Pioneer Day. Students and teachers dressed the part and participated in crafts, games, and other activities to learn more about early American history.

J. HANS HERR ELEMENTARY SCHOOL OPEN HOUSE AND FUN FAIR

Special thanks to the Hans Herr Elementary School staff and Hans Herr PTO for coordinating the Hans Herr Open House and Fun Fair on May 10, 2018. Hans Herr Elementary School families had a chance to visit classrooms and enjoy many wonderful events planned by the PTO.

K. SPORTS DAY AT HANS HERR ELEMENTARY SCHOOL

Hans Herr Elementary School celebrated physical fitness through the annual Sports Days. Students were divided into groups and moved through different activities throughout the day. Activities included kickball, crab soccer, floor hockey, football, tug-of-war, and relay races. Each station was manned by teachers and parents and offered students an opportunity to try their skills at a variety of non-competitive athletic activities. It was a great day enjoyed by all!

L. BUDDY DAYS AND MOVE UP DAY AT HANS HERR ELEMENTARY SCHOOL

Buddy Days: On May 18 and 31, 2018, second grade students had the opportunity to visit Hans Herr Elementary School. During their stay, they toured the building, ate lunch in the cafeteria, had recess on the playground and met with Dr. Jeffrey Smecker to receive information about their transition to Hans Herr Elementary School.

Move-Up Day: Hans Herr Elementary School held its Move Up Day on May 30, 2018. Students entering third, fourth, and fifth grades had the opportunity to "move up" to meet their teachers and classmates for the 2018-2019 school year. Hans Herr Elementary School teachers did a great job preparing 30 minute presentations to help orient their incoming students. This was an exciting day for everyone at Hans Herr Elementary School. Students entering sixth grade had a chance to visit Martin Meylin Middle School during this time. This was a great first step in preparing to transition to a new school year!

M. HANS HERR ELEMENTARY SCHOOL HOLDS ANNUAL AWARDS ASSEMBLY

Students at Hans Herr Elementary School were recognized for a variety of academic and athletic achievements and service projects during the annual End-of-Year Awards Program held on June 4, 2018. Awards were presented for the following: Post Office, Bus Buddies, Speech, STEM Team, Spelling Bee, Physical Fitness, Art, Chorus, Orchestra, and Band. In addition, students and staff enjoyed a Juggling Act by Mr. Jim Stutzman's class and a slide show.

N. HANS HERR ELEMENTARY SCHOOL CLASSROOM IN THE FIELD DAY

Classroom in the Field Day was an on-campus field trip originated by Holly Oberholtzer, high school agriculture teacher, and Eva Strawser, fifth grade teacher. It occurred on May 9 and 10, 2018. The Ag Science II students at Lampeter-Strasburg High School developed lessons for the students in fifth grade to learn in May. The Lampeter-Strasburg High School students who developed and implemented lessons as part of their class assignments were Jessica Herr, Leah Welk, Gabby Cummings, Hannah-Grace Baxter, Kyle Spotts, Hunter Cunningham, Bryce Good, Megan Mellinger, Tyler Stoltzfus, Jordan Martin, Brandon Miller, Jared Risser, Cam Webb, Bella Eckert, and Stephanie Mays. Students were able to learn about soil properties and best practices, technology advancements in farming, and farm to table: soy, corn, and wheat, and healthy water needed in our watershed. The lessons were interactive and engaging for the students. Some examples of activities include measuring and evaluating corn stalk growth, monitoring a field using a drone, building a healthy meal plate, digging the soil in the field to test the health, and making soy candles. The fifth grade students rotated between seven stations to learn about these concepts of agricultural science that connected back to concepts being taught in their classroom through lessons designed by the high school students and from the PULSE 2.0 STEM course materials being integrated this year. The partnership was designed when Miss Eva Strawser approached Mrs. Holly Oberholtzer and Mrs. Janae McMichael about connecting the fifth grade science students to the FFA or agricultural students after attending her PULSE 2.0 summer course. An opportunity was formed to better the

knowledge and experience that the fifth grade learners receive while promoting the FFA opportunity at Lampeter-Strasburg School District. The goal is to seasonally rotate this day as well as the FFA student leaders.

INFORMATION TECHNOLOGY DEPARTMENT – Mr. William E. Griscom, Jr., Technology Director

A. LAMPETER-STRASBURG HIGH SCHOOL DISPLAYS

The Lampeter-Strasburg High School faculty provided feedback regarding how they use their current projectors and interactive whiteboards. After surveying the faculty and evaluating projectors, interactive projectors, non-interactive monitors, and interactive monitors, we determined that there wasn't a one-size-fits-all approach. Instead, we have elected to provide interactive monitors to math, science, and special education; non-interactive monitors to the other subject areas; and projectors in a handful of spaces where a monitor isn't feasible due to room constraints.

B. 1:1 PREP

We have been preparing for the Lampeter-Strasburg High School 1:1 program by fixing and cleaning laptops from other grades that will be distributed to the eleventh and twelfth grade classes. The lease, which was approved by the School Board, has been executed and will allow us to purchase over 1,200 new Chromebooks to be rolled out in various grades from 3-12. Working with Dr. Michele Westphal and Dr. Benjamin Feeney on communication, delivery logistics, and procedures, the High School Chromebooks will be prepped and ready for day one of the 2018-2019 school year.

C. POWERSCHOOL UPDATE

Ms. Laura Anderson has been preparing for the upgrade to PowerSchool 12.0, as well as the rollout of PowerTeacher Pro across the District. PowerTeacher Pro has many advancements, but the biggest is that it will run on any Web browser without the need for plugins. This allows teachers to use tablets, Chromebooks, etc., and does not require any configuration from the Technology Department.

We have also been working collaboratively with the Special Education Department to prepare for the rollout of PowerSchool Special Education. Adding this product to our PowerSchool suite will allow full integration between special education data and our student information system without the need for the import and export of data on a regular basis. It also allows regular education teachers to see IEP documents for students on their roster, as needed. Finally, it offers a streamlined approach to PIMS reporting because it's an integrated system.

D. PHONE SYSTEM CHANGES

Mr. Andrew Hoover has been preparing the phone system to handle a change to how outside calls are placed. We have been using the number 9 to reach an outside line for many years. Because of this number, there were many misdials for 911. We hope a change to the number 7 will decrease the misdials.

Additionally, due to many District phones reaching end of life, we plan to replace all the desk phones in classrooms at Lampeter Elementary School, Hans Herr Elementary School, and Martin Meylin Middle School. While the phones are not really an upgrade in terms of performance, they allow us to upgrade our phone system with security updates and patches without fear that phones will stop working. These upgraded phones should last, at a minimum, five to seven years.

E. FIELD PROJECT IT UPGRADES

Toward the end of the summer, we are anticipating the installation of fiber cable from Hans Herr Elementary School to the Field House, press box, and outside enclosure on Field 2. Additionally, the Field House will be outfitted with wireless, phones, security speakers, and security cameras on the outside of the building. The press box will receive a similar setup as in the past, which included wireless access and phone service for emergencies.

F. NOC UPGRADES

Over the summer, the plan is to install a fire suppression system in the NOC. This waterless system will provide protection in the most critical technology-related room in the District. Additionally, the UPS, which is the battery backup system that provides backup power for all servers and the District core switch, will go through a revitalization process that includes the replacement of all critical components. This will ensure the continued reliability of a mission critical backup service.
